

RHINO BINS

- ✓ **LIFETIME GUARANTEE**
- ✓ **LIGHTWEIGHT**

- ✓ **UV RESISTANT**
- ✓ **DURABLE**

Rhino Bins are rotationally molded and manufactured from specially formulated resin to guarantee durability and long life.

They are designed to withstand almost any physical abuse and will not **crack** or **shatter** if dropped, even when filled with material.

Ideal for restaurants, fast food outlets, factories, landscapers & residential buildings.
