

# TUFF TANK

**BUILT TO LAST**

Tuff Tank is Trinidad and Tobago's leading manufacturer of rotationally molded polyethylene water tanks. Ideal for multi-purpose use such as: storing safe drinking water, rainwater harvesting & collection, emergency backup in home water storage tanks and farm irrigation.

### MATERIAL

- 100% virgin polyethylene
- UV resistant
- Outer black material which prevent sunlight from penetrating the tank

### DEPENDABILITY:

Rugged multi-ribbed construction ensures a durable and dependable tank. TUFF TANK is built to last with our highest standards.

### HEALTH GARD SAFETY LINING

Tuff Tanks are engineered using a two part system of prime grade linear polyethylene layers. The inner layer is a Food Grade FDA approved virgin polyethylene material that ensures the safety of your drinking water.
